

B.P.H.E. Society's
Ahmednagar College, Ahmednagar
Internal Quality Assurance Cell
CO, PO, and PSO Attainment Sheet

Department Name	History
-----------------	---------

Program Name	M.A.
--------------	------

Program Outcomes(PO)

PO1	Students learn to select and apply appropriate methods, techniques, sources and modern ICT for generation and dissemination of historical knowledge.
PO2	Students develop a deep understanding of the multiple pasts which makes them uniquely equipped in the emerging field of cultural intelligence.
PO3	The programme will enable the students to have a detailed knowledge of the past, which is useful for various domains of public service.
PO4	The programme is designed to make the students excel in communicating the outcomes of their historical research in various media.
PO5	The learners acquire the capability of critically evaluating the past for a better understanding of the human past.
PO6	Students will be able to explore the local history.
PO7	Students will understand the ancient and medieval civilization of the world.
PO8	The students develop a logical understanding of the past which enables them to make sense of the current societal situations in their present.
PO9	Students learn historical research methods to generate knowledge about the various events and phenomena from the past.
PO10	The course equips the student to understand the necessity of conservation and preservation of art, culture and heritage at the regional and global level.
PO11	Students learn to apply reasoning informed by the historical evidence.
PO12	The programme is designed to let the students build knowledge effectively as an individual and a team member.

Program Specific Outcome(PSO)

PSO1	1.PSO- Students will be able to demonstrate a broad knowledge of historical events, historical eras and their significance.
PSO2	2.PSO- Students will develop an approach of tolerance about the differences and commonalities in the heritage and traditions of their own society as well as other societies.
PSO3	3.PSO- Students can become historians, museum curators, archivists, etc. and they may pursue higher education and research in the field of history.

Academic Year :	2019-20
