

### **The institutional Strategic/ perspective plan and its deployment**

B.P.H.E. Society's Ahmednagar College, Ahmednagar has shown all-round development and growth since the day it was established 75 years. The college could achieve the growth with the systematic planning and deployment by various wings of the college day in and out. Moreover the sustenance and growth in the development so achieved could be possible only by the proper strategies and effective execution.

The institution formulates the short term and long term goals and objectives for academic growth and development and ensures the same through its various committees and cells. The strategic plans so formulated are made to realize the academic and administrative development of the institution. Following is the short term, moderate and long term strategic plan and its deployment in the academic year 2022-23.
