Subject: - Sanction of Institutional level Research project Grant

Dear Researcher,

I am pleased to inform you that your project entitled **Isolation & characterization of tyrosinase from bacteria and its application in detoxification & bioremediation of phenolic compound** has been provisionally selected for research funding of **Rs.40000/-** in the Institutional level Research project Funding scheme for the year 2022-23. After receiving the Acceptance letter signed by the Principal investigator and co-Investigator in the prescribed format first installment will be released.

As a young researcher receiving this grant, we expect you to carry out your proposed research, in the best possible manner. The progress made in the first six months will be evaluated by an expert panel. Disbursement of second installment will depend upon satisfaction of expert panel. If the expert panel is not satisfied with the progress in the first six months, then college may proceed to recover the sanctioned amount. After completion of project, you will have to submit the project report and utilization in the prescribed format.

With Best Wishes
