INTRODUCTION

Ahmednagar College, the first and the oldest institution of higher education in Ahmednagar district, has always been a pioneer in the fields of education and research. A premier institution of learning for traditional as well as new-age subjects, the name of the College is synonymous with quality education. It is a college founded by a visionary, Dr. Bhaskar Pandurang Hivale, and built by committed and eminent educators, Dr. Thomas Barnabas and the Rev. Prof. Joseph Barnabas.

The motto of the College, Not Things, But Men, highlights the unwavering dedication of the College to the ideals of building personalities. We strive to impart cutting-edge knowledge grounded in values, pertinent skills in relevant fields and a healthy enthusiasm for constructive work. Because, since its inception, our institution has believed that tomorrow should be better. In moulding the all-round personality of the students, we are committed to this idea of creating bright young minds that are fully capable, willing and well-equipped.

The excellence of the College is attested by the fact that students from all parts of India come here to study - from north to south and from west to east. It is also significant that having studied in Ahmednagar College, many then scatter across the globe. The quality of the education imparted in the College is also certified by National Assessment and Accreditation Council (NAAC), Bangalore, which awarded Ahmednagar College with an 'A' grade twice, in 2004 and in 2012. In 2018, the college underwent a third cycle of NAAC accreditation and was awarded 'B++' grade. Further recommendation has come also from the University of Pune in the form of the 'Best College Award. In 2012, the College enhanced its prestige by winning two coveted grants: CPE from UGC and FIST from DST. In 2013, the College was bestowed with the 'Educational Excellence Award' by the Brands Academy, New Delhi and in 2015, 'Most Promising Educational Institute' Award by Worldwide Achievers, New Delhi, In 2016 the College was bestowed with three awards: 'International Quality Award for Excellence in Higher Education', 'Best College in Maharashtra for Innovative Educational Programmes' and 'Most Promising Degree College in West India'.

Ahmednagar College in its main campus runs a host of academic programmes starting from XI to PhD in various subjects. The courses offered in the College are recognized by the Maharashtra HSC Board, University of Pune and other competent bodies. In order to enrich the skills of the students and to help them better use their time during their stay in the College, we offer a range of Value-added Courses. Ahmednagar College is the study centre for YCMOU degree courses in Arts and Commerce including a course in Journalism. The College also runs Remedial Coaching Classes for SC/ST and Minority students, and centres for Gandhian Studies, Women's Studies & Human Rights. There are many co-curricular and extra-curricular activities that the College enables the students to take part in. The College NSS unit is very active with nearly 200 students enrolling each year. To develop among students a sense of social responsibility, the College also has a voluntary social work initiative called

“SNEHABANDHA”. We have a well-equipped gymkhana and sports department, a theatre unit, a hobby centre, among others. We encourage our students to make the best use of the available facilities such as: placement cell, personality development and counseling cell, competitive examination cell and cultural activity centre. To help slow learners, remedial teaching for backlog exams is conducted.

Ahmednagar College Library is well known for its rich resources that become richer each year. The Library has (men's and women's) reading halls, a conference hall, newspaper and magazine section, museum, rare books section, journals section, reference books section and audio-video collection. The Library organizes various exhibitions to enhance students' exposure to the latest available information and knowledge in various fields.

The College has a highly qualified teaching faculty who are committed to teaching as well as research. Many members of the teaching faculty have completed their Ph.D or M.Phil and some are research guides. The College has research centres in Physics, Zoology, Geography, Commerce, English, Marathi, Botany and Chemistry. More than hundred students are completing their doctoral research under various research guides from the College. The members of the faculty are also involved in major and minor research projects sponsored by such prestigious national bodies as ISRO, UGC, CSIR, DST, as also BCUD, University of Pune. The College also has collaboration with other research institutions. The quality of the research underway in the College may be gauged by the fact that many of our teachers have published their research findings in reputed national and international journals. Some of our teachers have written textbooks and reference books.

The College has excellent infrastructure for both learning and living. We have well equipped laboratories, conference halls, syndicate room, independent set up for research centres & Department, large classrooms and computer labs. The playgrounds are spacious. There are hostels for men and women students, mess facilities, common rooms, health centre, extension counter of bank and consumer stores. Students are also provided the facility of Earn and Learn Scheme. The College is the sole training centre in the Western region for NSS officers. The College has the base of the 17th Battalion of the NCC.

To the north of the main campus, are located the ISWR and IMSCDR, sister institutes of the College offering courses in Social Work, Communications, Management and Computers. A dream sown at the dawn of independence in India has grown into a magnificent tree in its six decades of progress. Headed by Dr. R. J. Barnabas as the Principal since November 2005, the College has re-dedicated itself to quality higher education and unalloyed service to the society. Alert to the fast changing scenario in both education and the job market, under the command of its youthful and energetic Principal, the College is pushing open new avenues in the manner, nature and content of the education provided. New horizons unfold as the College leads its new generation of students into new areas of knowledge.

Principal's Note

Ahmednagar College is not just a place of learning, it is an institution founded on firm values, concrete goals and noble vision. It is an institution committed to nurturing talent, fostering quality and enhancing abilities. We, in Ahmednagar College believe that it is our bounden duty to enrich and empower our students with knowledge, skills and aptitude. Towards this goal, the College adopts conscious strategies for optimizing the students' curricular and extracurricular gain. Through academic programs and supporting activities, we strive to ensure that each student passing through Ahmednagar College emerges enabled and ennobled; that they carry with them the promise of tomorrow; and that they make an inviolable pact with excellence.

It has been the practice of Ahmednagar College since its inception that students are provided with more than mere degrees. We aim at offering our students the full package: conducive atmosphere, rich resources and complete learning. We want our students to be fully equipped to take on the challenges in the world outside and be victorious. We attend to their short-term and long-term needs through teaching, counseling and practical training. The pioneering efforts of the College in higher education have made it a well-known name in the academic field. Thus, our students are welcomed by both the industries and research organizations.

We, at Ahmednagar College believe in total training: that our students should not only be employable but also reliable; not only learned but also wise; not only possessing intelligence but also character. Every day we move a step in that direction, steadily and surely as each step is part of a plan. Education aims to provide a blueprint for the future minds. There is a two-fold function to planning in education: to anticipate what is to come and to remember what has been done. Learning is a way of combining in the present the traces of the past and the future. Each day in our College ensures that the fruits of hard work stay with you for an entire lifetime. May the best be yours.

• *Code of Conduct*

- Students should carry their valid identity cards whenever in the College or representing College at any other place. These should be produced whenever demanded by any of the College Staff.
- All the students are expected to follow the decorum with regard to both dress and behaviour.
- Students are directed not to bring any outsiders into the College premises.
- Students should not collect any funds from other students or from outsiders without the written permission of the Principal.
- Students should not organize picnics, excursions, trips, etc. on their own without the written permission of the Principal.
- In case of any problem, students should report to the Heads of their respective Departments.
- The powers relating to disciplinary action in the College rests with the Principal and his decision in this respect shall be final. Anyone who violates the code of conduct will be severely dealt with.
- Ragging Prohibited : The Government of Maharashtra has notified Ragging as a Cognizable Offence. Anyone reported to be involved in any form of ragging, will be severely dealt with.

Anti-Ragging Notice

Ragging in any form is banned at Ahmednagar College, Ahmednagar. It is a punishable offence according to one of the recent guidelines of the Honourable Supreme Court of India. Ahmednagar College has 'zero-tolerance policy' on ragging. The institute will take disciplinary action/legal proceedings / expulsion from the institute as per the directives of the Supreme Court of India if any student/students is/are found guilty inside or outside the premises of the Institute.

The College has an Anti-Ragging Cell to look into all matters pertaining to the issue. There are Anti-Ragging Squads to ensure that ragging does not take place on the campus. Should anyone feel it necessary, or is a victim of ragging, can write to the coordinator of the Anti-Ragging Cell of the College and necessary action will be initiated by the authorities.

It is mandatory for students to submit a notarized affidavit in the prescribed format. The Coordinator of the Anti-Ragging Cell is:

COLLEGE FACILITIES

Gymkhana

For indoor and outdoor games, the College has separate spacious playgrounds for football, hockey, basketball, volley-ball, cricket and athletics. A well-equipped gymnasium offers facilities for table tennis, chess, badminton and carrom.

Hostels

Ahmednagar College has 5 Men's and 3 Women's Hostels on the campus which accommodate around 650 male students and 250 female students. Men's Hostels are administered by the Rector and Asst. Rectors. Ladies' Hostels have their own Rectors.

Canteens

There are 6 canteens on the College premises. Canteens provide meals. Most of the items are at affordable prices. The Canteen Committee in consultation with the Principal will decide any change in prices.

Merit Card

Scholar's cards are issued to the 3 top ranking students from each class. These cards enable students to borrow an additional 2 books for home reading.

Alumni Association

Ahmednagar College Alumni Association is an important external appendage of the College. The Executive Committee has the Principal as Chairman. The Association is actively involved in different academic and non-academic programmes. The College invites its alumni to register their details with College Office.

National Service Scheme

The Government of India in co-operation with the State Government has introduced the National Service Scheme for the students interested in serving the community through various development and extension programmes. Every year both men and women are enrolled in N.S.S. They are expected to engage themselves in regular social work for not less than 120 hours in regular N.S.S. Activities in the academic year. They are also required to attend an annual special camp of 08 days.

National Cadet Corps (NCC)

Ahmednagar College is the Headquarters of the 17 Maharashtra Battalion. NCC Enrolment is voluntary. All expenses on uniform, kit, annual training, etc; are borne by the Government. College students are encouraged to join the NCC where they get Military training which enables them to join the Armed Forces. Cadets scoring A and B grading in 'C' certificate exam are eligible for SSB interview directly. Our unit is the best unit in the battalion.

The Theatre Group

Opportunities for the development of dramatic talents are provided by the Theatre Group. The Chairman is nominated by the Principal and membership is open to students interested in dramatics. The highlights of the Group's activities each year are a full length Marathi Drama, a One-Act Play Competition and Annual Variety Entertainment.

Women's Activities

Special activities for women students are organised through the formation of interested groups with a woman professor in charge of each group. The emphasis has been on themes and issues relevant to women in particular. The focus of interest is discussion, dramatics, home skills, classical music, rural field trips, etc.

Competitive Exam. Centre

The Centre prepares students for various competitive exams, especially for MPSC, UPSC, LIC and Bank Exams. by conducting coaching classes.

Ahmednagar College Co-operative Consumers' Society Ltd.

The Co-operative store owned by the staff and students is located on the College campus. Students can buy stationery items like notebooks, dissection boxes, compass boxes, tutorial sheets, journals, pens and other items like soap, buckets, tooth paste, brushes, water jugs, etc. at concessional rates.

N.S.S. T.O.C.

From its very inception, the College has laid stress on the need to innovate and experiment in higher education and to nurture the young for all round development. At one point the Centre for Studies in Rural Development experimented with student involvement in rural construction. Out of these pioneering experiments came a model which is now known as the National Service Scheme. For Some years the College has N.S.S. TOC, a regional Training Office for Maharashtra which trains N.S.S. Officers at regular courses /workshops.

Y.C.M.O.U. Centre

The College is a centre of the Yashwantrao Chavan Maharashtra Open University. Admissions are open to individuals who are 16 yrs. of age and who qualify for the preparatory course conducted by the YCMOU. The course material is given to the students through the Centre. Teacher Evaluation by Students :

The College conducts an annual Teacher evaluation by the students. The evaluation and feedback is conducted on the basis of a questionnaire. It includes the aspects of teaching learning process, i.e. class control, command over the subject, presentation skills, use of interactive presentation, etc.

Individual teachers conduct the feedback exercise and calculate their respective weighted ratings for self-analysis and improvement.
