Research committee

College has a research committee, which motivates staff members to undertake research projects. The Committee gives guidelines regarding different funding agencies. This committee monitors the quality of research projects submitted to different research agencies and suggests improvements in the project, which leads to considerable increase in the number of projects sanctioned. Also, due to the efforts of this Committee, the central instrumentation facility and its maintenance has strengthened. Every year workshops, conferences etc. are organized in the College. Teachers are encouraged to pursue their M.Phil. and Ph.D. degrees and to publish the research papers in national and international journals.

Code of Ethics to check malpractices and plagiarism in Research

The College strictly adheres the universally accepted academic ethics including the ones related to research. To ensure that the research work carried out at the College is original and that the researchers follow a code of ethics, the College Research Committee ensures that all researchers abide by the Research Ethics that the affiliating University, i.e., Savitribhai Phule Pune University has prescribed. Further, to deter cases of plagiarism, SPPU has purchased plagiarism software “TURNITIN”. University provides access to this software through an account to every research guide ,where guides can check M.Phil ,Ph.D thesis for plagiarism.At the time of submission of M.Phil ,Ph.D. thesis to the University, report generated by plagiarism software has to be submitted. Also soft copy of the thesis is submitted to Shodhganga by University.
