a. OUTCOME BY THE END OF THE YEAR

1) Introduction of New Courses

During the year 2008-2009, the following courses were successfully continued: Diploma in Hindi Translation, Certificate Course in Advanced C+. A Course in BPO Skills will commence from June 2009.

2) Follow up on research centers

The Local Inquiry Committees (LIC) constituted by the University of Pune visited the following Departments: Commerce, Geography, Zoology and Marathi regarding recommendation for the continuation of the respective research centres.

3) Infrastructural Development

During the academic year the College has added the following infrastructure:

1. New Ladies Hostel
2. Virtual Class Room
3. Biotechnology Laboratory for UG
4. Syndicate Room with Audio-Visual facilities

4) Library

We are in the process of creating an e-library. As part of this computerization of the library is in progress. Using funds allotted by UGC under XIth Plan, DST and other research schemes a large number of books were purchased. In addition many research journals in various subjects have been subscribed.

5) Instrumentation facility

Instrumentation facility set up under DST-FIST program at Departments of Physics, Chemistry and Zoology are being used well by undergraduate and postgraduate students and research students for their day to day work. An instrumentation maintenance facility cell is set up. UGC grants are used for maintaining laboratory equipments on need basis. As no scheme for IMF extension is available in the XIth plan, no proposal has been submitted.

6) Grants under FIST

Utilization of the first installment of the FIST grants by Departments of Physics and Zoology has been submitted. Accordingly, the DST-FIST committee visited the respective departments for verification of equipments purchased under the

scheme and their utilities. The Committee recommended for the second installment for both the departments. Second installment has now been received and the utilization of the same is in progress.

7) Research bulletin

Research bulletin is continued.

8) Utilization

a. The College has submitted the utilization of the fund received under the XIth plan developmental grant for UG and PG. The second installment has been granted and the utilization is in progress.

b. The second installment of UGC grants for the construction of the Ladies Hostel has been received and is being utilized.

9) The proposal for starting MSC Biotech is under governments consideration.

10) Computer network internet facility has been extended to Department of Biotechnology, Biochemistry, Mathematics, Statistics, Geography and Commerce.

11) The proposal "College with Potential Excellence" has already been submitted UGC and it is under consideration.

12) Office automation:

- a. The admission process automation is complete and the necessary upgradation of software is in progress.
- b. Admission process for PG has been decentralized.

13) College Website: The college has launched a new website:

www.aca.edu.in The college website is being improved. Links for online alumni registration is implemented.

14) Renovation and Upgradation:

- a. Gymnasium has been upgraded with necessary equipments
- b. College playground has been renovated with a compound wall and gate set up.
